# Bucheon-si

부천시 · Bucheon-si

You left your plans at home, right? Then you're all set.

Hi there!
I'm **Dokko**, your guide at Amudena.
I'm actually a burr seed, the kind that hitches a ride on passersby's clothes and travels.
This time, I'm sticking to you!

"Amudena" is Korean for "anywhere." Wherever the wheel lands, that's where you're going.

# Amudena travel rules

Just four promises before we go!

### NO apps
Phone for calls and camera only! Let the rest take a nap.

### NO reservations
Pick your stay and your meals when you get there. Kinda exciting, right?

### NO GPS
Find your way with a paper map and by asking the locals.

### NO expressways
National and local roads only. You see more when you go slow.

# How to use this book

**Stay 1** **Eat 1** **Café 1** **See 1** Stay 1, Eat 3, Café 1, See 2...
calling things by number is handy.
Like "Call Stay 3!"

- We haven't been there ourselves. But you can call and judge for yourself. So what will you choose?
- We left out prices on purpose. If you're curious... yep, call them.
- As of October 2026. Different from what you see? That's travel too!
- Bring your own paper map. I'm a seed, so I don't have one. I just stick on and go.

## What's Bucheon-si like?

I'll tell you just a little of what I know.

A city between Seoul and Incheon, split into three districts: Wonmi-gu, Sosa-gu, and Ojeong-gu.

A comics city with the Korea Manhwa Museum! The Bucheon International Comics Festival is in September.

Sang-dong is packed with hotels and chicken-feet joints open till dawn. The markets are open every day.
