Icheon-si

이천시 · icheonsi

You left your plans at home, right? Then you're all set.

Hi there!
I'm **Dokko**, your guide at Amudena.
I'm actually a burr seed, the kind that hitches a ride on passersby's clothes and travels.
This time, I'm sticking to you!

"Amudena" is Korean for "anywhere." Wherever the wheel lands, that's where you're going.

Amudena travel rules

Just four promises before we go!

NO apps
Phone for calls and camera only! Let the rest take a nap.

NO reservations
Pick your stay and your meals when you get there. Kinda exciting, right?

NO GPS
Find your way with a paper map and by asking the locals.

NO expressways
National and local roads only. You see more when you go slow.

How to use this book

Stay 1 **Eat 1** **Café 1** **See 1** Stay 1, Eat 3, Café 1, See 2...
calling things by number is handy.
Like "Call Stay 3!"

- We haven't been there ourselves. But you can call and judge for yourself. So what will you choose?
- We left out prices on purpose. If you're curious... yep, call them.
- As of October 2026. Different from what you see? That's travel too!
- Bring your own paper map. I'm a seed, so I don't have one. I just stick on and go.

What's Icheon-si like?

I'll tell you just a little of what I know.

Rice and pottery—that is Icheon! There is plenty to explore at the table and in the workshops.

Sagimakgol and Yespark bring pottery workshops together. Which bowl will catch your eye?

Rest at Seolbong Park and visit the city museum. Rice even turns up on the cream-bun menu!
