Ulju-gun

울주군 · uljugun

You left your plans at home, right? Then you're all set.

Hi there!
I'm **Dokko**, your guide at Amudena.
I'm actually a burr seed, the kind that hitches a ride on passersby's clothes and travels.
This time, I'm sticking to you!

"Amudena" is Korean for "anywhere." Wherever the wheel lands, that's where you're going.

Amudena travel rules

Just four promises before we go!

NO apps
Phone for calls and camera only! Let the rest take a nap.

NO reservations
Pick your stay and your meals when you get there. Kinda exciting, right?

NO GPS
Find your way with a paper map and by asking the locals.

NO expressways
National and local roads only. You see more when you go slow.

How to use this book

Stay 1 **Eat 1** **Café 1** **See 1** Stay 1, Eat 3, Café 1, See 2...
calling things by number is handy.
Like "Call Stay 3!"

- We haven't been there ourselves. But you can call and judge for yourself. So what will you choose?
- We left out prices on purpose. If you're curious... yep, call them.
- As of October 2026. Different from what you see? That's travel too!
- Bring your own paper map. I'm a seed, so I don't have one. I just stick on and go.

What's Ulju-gun like?

I'll tell you just a little of what I know.

Ulju has the sea at Ganjeolgot and Jinha, and mountain paths at Ganwoljae. Sea or mountain first?

At Bangudae, meet pictures carved into rock. Those are very old stories.

See earthenware at Oegosan too. With Eonyang bulgogi on a local menu, eyes and mouths both have plenty to do!
