You left your plans at home, right? Then you're all set.

Hi there!

I'm **Dokko**, your guide at Amudena.

I'm actually a burr seed, the kind that hitches a ride on passersby's clothes and travels.

This time, I'm sticking to you!

“Amudena” is Korean for “anywhere.” Wherever the wheel lands, that’s where you’re going.

Amudena travel rules

Just four promises before we go!

NO apps

Phone for calls and camera only! Let the rest take a nap.

NO reservations

Pick your stay and your meals when you get there. Kinda exciting, right?

NO GPS

Find your way with a paper map and by asking the locals.

NO expressways

National and local roads only. You see more when you go slow.

How to use this book

Stay 1 **Eat 1** **Café 1** **See 1** Stay 1, Eat 3, Café 1, See 2...

calling things by number is handy.

Like "Call Stay 3!"

- We haven't been there ourselves. But you can call and judge for yourself. So what will you choose?
- We left out prices on purpose. If you're curious... yep, call them.
- As of October 2026. Different from what you see? That's travel too!
- Bring your own paper map. I'm a seed, so I don't have one. I just stick on and go.

What's Jeju-si like?

I'll tell you just a little of what I know.

The north side of Jeju Island, home to the airport and the port. It's the island's front door.

Leave downtown and seaside villages run on and on: Jocheon and Gujwa to the east, Aewol, Hallim and Hangyeong to the west.

In fall there's the Flatfish Festival, and in late fall the Olle Walking Festival!
